

NOTE FROM THE HOs

Dear family,

We are glad to open the Call for President of Barcelona 2020, the next National Session of the European Youth Parliament España!

Barcelona 2020 will take place from 13th to 19th of April. Under the theme of *Sustain the Change*, we seek to carry out a session close to the concept of 'sustainability' in all its forms, starting with the welfare of each of the participants. We intend to focus on the physical and mental care of each member of the session, while we work so that the session transcends locally generating a positive impact on the city that hosts the event.

We understand that the national is the starting point of a new generation of EYPE and we believe in the need to foster a comfortable space where future volunteers who carry out this organization can establish links between them, planting the roots of the future EYPE from a healthy and sustainable base.

With the desire to convey our illusion, we invite you to fill in this Call that we hope will allow you to share your motivation with us. The Call begins today, October the 8th, and will close on October the 22nd at 23:59 CET.

We seek to create a team with motivated, hardworking people to learn from, and grow by their side. We want you to show yourself as you are. Therefore, to make the selection procedure as transparent as possible, the first reading of the applications we receive will be under anonymity.

Nora Carbonell, Paula Flores & Anna Funke
